SGM ACADEMY

The SGM academy allows access to all of our training subjects. Each course is a combination of reading material, videos, practice questions, visual graphics and a final exam that must be passed with an 80% score to achieve a certificate of completion.

- Access to all 35 Courses
- 24/7 Access
- Up to 200 employees per month for one low fee. Additional employees easily added.
- All courses include: reading material, practice questions, videos, graphic visuals and a 20 question final exam
- Students must view each page, and complete all practice questions, videos and pass final exam before certificate is issued
- 80% or better final exam score required to pass each course
- Certificate issued upon successful course completion
- Employee Bundle Access: 60 days free per employee
- Visits www.sgmtraining.com for full details.

Only \$169 per month

The SGM Security Officer Training Video collection is designed to augment instruction sessions. Our videos will not only help train your security officers, but there are sessions for training supervisors as well. We have decades of success in the security officer industry so we know what knowledge is needed in the day-to-day business of a security officer company. Each video session comes with a 10 question test and answer key.
